AMAMAGNA

A NEW DIMENSION IN RIVER CRUISING

Daring Design: Breaking the Mold

Crafting a dream, the visionary godfather of river cruising, Rudi Schreiner, designed AmaMagna for those seeking a fresh, contemporary and dynamic take on river cruising, as well as ocean cruisers accustomed to the luxury of more. Debuting on the Danube in May 2019 at nearly twice the width of traditional European river cruise ships, AmaMagna is a distinctive evolution of AmaWaterways' European river fleet, with a daring design that transcends her grand dimensions.
